

The Strut™

As representative for (team name) _____,
we request a 10x10 tent space at The Strut®, on October 14th, 2017. I understand that I am responsible to furnish the tent, table, table cloth, and chairs for my space. My team is responsible for set up and breakdown of all equipment and will have all equipment set and broken down by the time designated by Glam-A-THON, Inc.

Tent spaces will be allocated on a first come basis and only teams approved for tent space may bring one. Teams may NOT bring coolers, alcohol, soft drinks, or food as these items will be available for purchase during the event. Any teams bringing alcohol, soft drinks, or food will be asked to dispose of the items or leave the event.

Space for your tent will be free of charge, but we request that if you must cancel your space, please provide at least a 72 hour notice. If you require a rental tent, please let us know and we can provide rental contact information. Your team will be assigned a tent location once your request is approved. Tent spaces will be very limited so please reserve early.

Please submit completed application to Angel Cheong at angel@floridata.net.

Stay Sassy!
